PROFILE

Experienced front-end developer with a strong background in creating responsive, user-friendly websites and applications. Skilled in managing multiple projects while ensuring high-quality code, performance, and adherence to industry best practices. Ready to contribute to development teams with a focus on innovation, reliability, and delivering seamless user experiences.

WORK EXPERIENCE

Software Development and Team Leader

Freelancer | Apr 2019 - Present

- Designed and developed responsive websites for various devices, collaborating with UX/UI designers and backend developers to ensure a seamless, user-friendly, and high-quality final product.

Nodos Hub | Nov 2021 - Ago 2023

- As a web developer, I led front-end tams and instructed on best practices. I oversaw the design and implementation of web applications, ensuring high quality user experiences. I provided mentorship and guidance to team members.

Front End Instructor and Team Coordinator

San Juan TEC | Apr 2019 - Dec 2023

- I led software development teams while teaching specialized online courses. Additionally, I served as a tutor at educational events and Jams, collaborating in overall administration to ensure quality and operational efficiency.
